How you can help

Many people continue to be trapped in a cycle of homelessness, often transitioning from unstable accommodation to emergency shelters to rough sleeping.

Moving out of this cycle requires access to affordable and permanent housing and a range of integrated support and healthcare services.

To maximise the potential for tenancy success and prevent a return to homelessness, it's necessary that some basic items such as beds, mattresses, linen, towels and kitchen essentials are provided.

Donate a Welcome Pack of essential household items for an individual or family moving from homelessness.

1. Donate \$330 for an Individual Welcome Pack or \$630 for a Family Welcome Pack by simply visiting micahprojects.org.au/donate
